

F-2015-00343

27th October 2015

Summary of request

The Authority was asked for the number of anomalies found in patient records held by licensed clinics in Scotland identified by the audits that were carried out as a result of the letter sent out by the Chief Executive of the HFEA on the 10 February 2015.

HFEA response

I can confirm that there have been seven anomalies found in patient records held by licenced clinics in Scotland identified by the audits that were carried out as a result of the letter sent out by the Chief Executive of the HFEA on the 10 February 2015.
