

F-2018-00025 – HFEA utilities contracts

15 February 2018

Summary of request

The Authority was asked to declare how decisions about utility suppliers (gas, electricity, water) are made and by whom, as well as what the details of those contracts were.

HFEA response

The HFEA confirmed it held no relevant information as it rents office space from NICE (The National Institute for Health and Care Excellence (NICE)). We do not have any direct contracts for utilities as we are invoiced by and our payments go to NICE for these services.
